### FOR YOUR CONSIDERATION

The Early Learning Center is a growing, vital, and exciting part of the ministry of Beautiful Savior. And we are hiring. It is easy to see the words "job opening" and dismiss them as inapplicable. But allow me to challenge your thinking on the matter. The number one qualification for work in the ELC is a love of Christ and a desire to live out your faith in service to others - in this case, service to very young children and their families by cultivating roots of faith. Obviously, there are other qualifications involved like possessing some applicable skills and experience, but number one is a living and active Lutheran faith that desires to live out the mission of BSLC.

It is a relatively simple matter to fill a job with an employee, but another matter entirely to fill a position with the right person. And in this case, the right person is ideally a member of our own congregation - someone committed to their Lutheran faith, committed to BSLC, and committed to service. (Albeit service that comes with a paycheck.)

If you think this may be something that God is calling you to look into, please give me a call. I'd love to discover the right person right here amongst us.

Together for Christ,  
Kim

### AT TODAY'S BIBLESONG CROSS+GEN EVENT

#2 in the Living Journal  
In My Father's House

*Remember 1 Thing:*  
**Jesus loved to go to God's house and think about God. David loved to look at the stars and think about God. Whether you are in church or out on a hillside, God is there and God is amazing!**

*Memory Verse:*  
**Psalm 8:1-6**

*Listen to this week's theme song, learn the sign language to go with it, and more!*

Visit [www.faithink.com](http://www.faithink.com) and enter the code SI02 in the bottom left-hand corner of the screen.

Christian Education continues today! All summer long we will have BibleSong Cross+Gen Events at 9 am for children, youth and adults! Together we'll use song, motion, and creativity to explore the Songs of Israel (poems and songs from the Old Testament) that will be used to help teach us about Jesus' parables in the New Testament. Each family will also receive their very own BibleSong Living Journal which contains awesome illustrations of each story and space to record the highs, lows, and prayer requests you share together as a family throughout the week. We hope you can join us all summer long for BibleSong Cross+Gen!

*Take your Living Journal home and practice the FAITH5 together with your family!*

1. Share your highs and lows;
2. Read and highlight Psalm 8:1-6 in your Bible;
3. Talk about how the Bible reading might relate to your highs and lows;
4. Pray for one another's highs and lows;
5. Bless one another.

### SERVANT SALUTE

Thank you to the July Altar Guild team, Shawn Claypool and Karen Sherfey, for preparing the communion wine and bread and for posting the hymns.

Special recognition to Lou Connolly who changes the paraments (church linens and banners) whenever needed, year around!

And to Karen Sherfey who fills the candles, brings flowers for the altar from her garden and purchases and delivers most of the communion supplies—we are very appreciative.
