WEEKLY ATTENDANCE

STEPHEN MINISTRY IS FOCUSED

MINISTRY

Christians are called to specific, focused ministries. The Spirit gives different gifts to different people. Their gifts and God's calling point toward some areas of service and away from others. Stephen Ministry fits these characteristics.

It is one of these focused ministries, providing discernment, training, ministry assignments, and ongoing support and accountability in the Supervision Groups.

A part of recruiting is helping members decide whether their gifts and calling point to Stephen Ministry. Paul strongly points out that one set of gifts is not any better than any other. It is a mistake, however, for a person to try to do a ministry for which his or her gifts don't fit.

To learn more about Stephen Ministry please see Tom Lucke after service at the exit.

FALL 2019 CHURCH DIRECTORY PROJECT

MARK YOUR CALENDARS

OCTOBER 23-26

This fall we will once again be working with Lifetouch Photography to compile a new church directory. We are asking every family to plan to participate in a photo session between Wednesday, October 23rd and Saturday, October 26th. As the dates get closer, sign-ups for specific appointment times will be available.

What's Involved in a Photo Session?

- **Free Family Photos:** There's no cost to have your photo taken for our directory. Professional photographers will take a portrait of your family and provide it for our records at no cost to you.
- **Free Directory Copy:** Lifetouch provides free print copies of the finished directory to every family that participates in the photo sessions. To be sure we receive enough copies for all our members, please plan to participate in the free photo sessions.
